July 10, 2020

To all AZ SWANA Members & Sponsors:

2020 has been, to say the least, challenging for our state and for our industry. Because of the Covid-19 Pandemic, the Arizona Chapter of SWANA has postponed in-person meetings and regularly scheduled member activities. While we have missed the activities and networking we are used to, as representatives of an essential workforce, it is important that we do all we can to keep our members safe.

The Chapter Board of Directors has continued to hold monthly conference call meetings and is working to offer safety and other training through online webinars. We will keep you posted and intend to hold the Annual Meeting in September. At this time, I can’t say if it will be in-person or online, but we will have a meeting to provide updates and to elect the 2021 slate of officers.

The Safety Committee had scheduled a Safety Training and Golf Tournament for July 31st. Based on the current conditions in the state, the training and golf have been cancelled.

The board was looking forward to these events, however, we feel that it is best to put all safety first. Please share any ideas or needs you may have with me or any of the other members of the board.

Stay healthy everyone and we will see you either online or in-person.

Regards,

Cristina Polsgrove
AZ SWANA President
